

25 Year FlexiProof Membrane Warranty

FlexiProof Limited warrants that provided the FlexiProof EPDM roofing membrane has been installed correctly, it will prevent the ingress of water through the Membrane for **25 YEARS** from the date of installation subject to the following exclusions:

- Damage to the Membrane caused by Storms e.g. falling roof tiles, trees, etc
- Damage to the Membrane caused by lightning, fire, hurricanes or earthquake
- Other deliberate or accidental damage to the Membrane
- Deficiencies in the building structure or movement
- Damage to the Membrane caused by the leakage of substances causing degeneration of the product e.g. fuels or oils.
- Failure of seam tapes, joins, adhesives, sealants and all other products used in the installation of the Membrane.

The integrity and correct installation of the FlexiProof flat roof system is the sole responsibility of the installer.

FlexiProof Limited accepts no liability for any consequential loss incurred whether the claim for under this warranty is valid or not.

If the membrane is suspected to be defective, a site inspection fee will be charged of £250 + VAT which will be refunded if the claim is valid.

In the event of a valid claim, FlexiProof Limited will supply replacement membrane only (not associated materials or installation).

FlexiProof Limited only offers this warranty where the FlexiProof membrane supplied and distributed by FlexiProof Limited, has been fitted by an Certified Installer on FlexiProof Flat Roof Systems register.

This warranty is only valid if it has been signed by an authorised FlexiProof Limited employee
